

## Memorial/Acknowledgement Fund

The Social Work Health Leadership Foundation (SWHLF) was established in 2005 by members of the Society for Social Work Leadership in Health Care to support the advancement of social work leadership in health care and eventually fund research in the field.

The Memorial/Acknowledgement Fund was established to keep the memories alive of those who have passed along as well as to celebrate significant events (retirement, promotion, new positions) for yourself or your colleagues in the form of a donation to the SWHLF fund. Your donation will be acknowledged with a card to the family or individual that you name on the form. This donation is tax deductable. Thank you for your thoughtful gift at these times of transition.

If you would like to make a donation, please fill out the information below and be sure to include the name of the individual you would like honored.
