

Society for Social Work Leadership in Health Care

SSWLHC is comprised of social workers dedicated to promoting the universal availability, accessibility, coordination, and effectiveness of health care that addresses the psychosocial components of health and illness. Our 500+ members work in hospitals, home care, hospices, primary care settings, private agencies, managed care organizations, regulatory, research, long term care, and many other settings.

As a student member you will have the opportunity to network and connect with social work experts in health care, develop and expand leadership skills, and gain access to a wide range of resources including mentorship programs.

Why Join?

Strengthen your Health Care Leadership Skills Through:

- Networking with national and international social work health care experts
- Individualized 1:1 mentorship program
- Accessing leadership tools and resources
- Participating on committees and initiatives
- Presenting at national conferences
- Keeping up to date with current events in health care via social media and listserv

Current membership benefits include:

- Free publications including the journal of *Social Work in Health Care* and *Health Affairs Journal*
- Access to Society Information, resources and career opportunities through SSWLHC's website
- Continuing education opportunities, including the annual meeting and conference
- Access to free online exemplars
- Exclusive members only discounts on educational programs
- Weekly emails regarding SSWLHC and industry updates
- Ability to participate in the mentorship program
- Access to the membership database
- Access to the membership List Serve

Our Vision Statement: The vision of the Society for Social Worker Leadership in Health Care is to be the premiere national and international professional organization and voice for social work leadership and leader in development in healthcare.

Our Mission Statement: The SSWLHC shall, through the strength of our members, support emerging leaders in all roles, provide leadership knowledge and skills and be the force for advocacy through its collective leadership in all health care arenas.
