

Memorial/Acknowledgement Fund

The Social Work Health Leadership Foundation (SWHLF) was established in 2005 by members of the Society for Social Work Leadership in Health Care to support the advancement of social work leadership in health care and eventually fund research in the field.

The Ellen Perlman Simon Outstanding Mentor Award was established in 2019 to honor the memory of SSWLHC leader Ellen Perlman Simon. A tireless and dedicated mentor to many, this award will honor leaders in healthcare social work who support new up-and-coming social workers in healthcare through promotion, guidance, and education. This recognized leader will have worked to cultivate and support future leaders in Social Work and Healthcare. This award will be presented at the SSWLHC Conference.
